Our children do best when schools and parents work hand in hand to support them. Here are some tips to make this happen...

Help your child succeed in life

**Work with the school to know and support your child**
- Have regular conversations with teachers in both academic and non-academic areas – this will help you better guide your child’s development.
- Check the teachers’ preferred mode of communication – they are not required to share their mobile numbers.
- Understand that teachers may not be able to respond to your queries immediately.

**Help your child relate to others**
- Work with the teachers to help your child respect differences and resolve disagreements amicably.
- Let the school verify the facts in any incident before taking action to ensure a fair, objective outcome for all parties.

**Help your child develop good habits**
- Create a conducive home environment for your child to enjoy reading and to finish his/her homework by himself/herself.
- Encourage your child to live a healthy, balanced life with time for sleep and play.

**Help your child manage himself/herself**
- Guide your child in managing his/her time.
- Encourage your child to help out with household chores.
